ÉLEVAGE

Elevage is proud to be the exclusive representatives, in California, of some of the world's most intriguing and sought-after wines. We are proud to partner with the following importers and wineries.

The Rare Wine Co. is one of America's most respected agents for fine wine in the US. In addition to being specialists in sourcing impeccably cellared examples of the world's greatest and most sought-after wines, they represent some of the finest wines of Europe for exclusive distribution in California. The Rare Wine Co. was founded in 1989 by Mannie Berk. In 2002, a panel of wine journalists and wine trade leaders voted them the Best Wine Importer in America, as part of Food & Wine magazine's American Wine Awards. And in both 2002 and 2004, Mannie was named a Wine Personality of the Year by Robert Parker's Wine Advocate.

Diamond Wine Importers was founded in 1992 by Ted Diamantis out of the belief that Greece, with its natural terroir of mountain vineyards, maritime influenced climate, volcanic and alluvial soils, and over 200 ancient indigenous varieties, can once again become a source of some of the greatest wines in the world. Over the last 30 years of tasting and traveling throughout Greece, they have compiled a portfolio of the best artisan, vineyard-driven producers who are working with the best native varietals from the best appellations. They only focus on producers and growers who are fully committed to quality and sustainability from vine to bottle.

The Mad Rose Group is a family-run organization that is composed of a close-knit group of people who understand that wine is an agricultural product and that in its best and purest form wine must reflect a specific sense of place. They share the goal of communicating this concept to a growing audience by presenting the finest examples of wine made in the classical western European tradition. They import wines curated by Neal Rosenthal, founder of Rosenthal Wine Merchant and are proud of their more than forty-year history. They are dedicated to presenting the most pure expressions of terroir from the vineyards of France, Italy, Switzerland, Catalonia and Austria.

May Portfolio Highlights

Introducing 2025 Sigalas A/M

2025 Sigalas Assyrtiko Monemvasia Santorini 750 mL - \$34.00 / \$30.60 *ETA Mid to Late May*

Sigalas A/M, which stands for grape varieties, assyrtiko and monemvasia, is a blend of assyrtiko from the estate's historic ungrafted vineyards on Santorini along with assyrtiko and monemvasia from the family's privately farmed vineyards from the neighboring island of Paros. The blend is 75% assyrtiko and 25% monemvasia.

All fruit is hand harvested and gently pressed to preserve freshness and precision. Fermentation takes place in stainless steel to maintain aromatic purity and highlight the natural acidity of the blend. The wine is then aged sur lie, adding texture and balance while retaining its bright, mineral driven profile.

Emme Wines | California

Welcome Emme Wines

Introducing Rosalind Reynolds and her small production wines! She farms grapes organically and makes wine without additives.
