Elevage is proud to be the exclusive representatives, in California, of some of the world's most intriguing and sought-after wines. We are proud to partner with the following importers and wineries.

The Rare Wine Co. is one of America's most respected agents for fine wine in the US. In addition to being specialists in sourcing impeccably cellared examples of the world's greatest and most sought-after wines, they represent some of the finest wines of Europe for exclusive distribution in California. The Rare Wine Co. was founded in 1989 by Mannie Berk. In 2002, a panel of wine journalists and wine trade leaders voted them the Best Wine Importer in America, as part of Food & Wine magazine's American Wine Awards. And in both 2002 and 2004, Mannie was named a Wine Personality of the Year by Robert Parker's Wine Advocate.

DIAMOND WINE IMPORTERS

Diamond Wine Importers was founded in 1992 by Ted Diamantis out of the belief that Greece, with its natural terroir of mountain vineyards, maritime influenced climate, volcanic and alluvial soils, and over 200 ancient indigenous varieties, can once again become a source of some of the greatest wines in the world. Over the last 30 years of tasting and traveling throughout Greece, they have compiled a portfolio of the best artisan, vineyard-driven producers who are working with the best native varietals from the best appellations. They only focus on producers and growers who are fully committed to quality and sustainability from vine to bottle.

The Mad Rose Group is a family-run organization that is composed of a close-knit group of people who understand that wine is an agricultural product and that in its best and purest form wine must reflect a specific sense of place. They share the goal of communicating this concept to a growing audience by presenting the finest examples of wine made in the classical western European tradition. They import wines curated by Neal Rosenthal, founder of Rosenthal Wine Merchant and are proud of their more than forty-year history. They are dedicated to presenting the most pure expressions of terroir from the vineyards of France, Italy, Switzerland, Catalonia and Austria.

September Portfolio Highlights

Recent shoutouts:

2024 Mylonas Winery Naked Truth Savatiano - \$15.00 / \$13.50 *Arriving 3rd week of September*

Vinepair: The 25 Best Orange Wines of 2025 "91pts. This wine is made from the native Savatino grape in the Attica region of Central Greece. And although this is one of the most widely planted white wine grapes in Greece, it is here in Central Greece where it is thought to have originated. So to have a skin-contact wine from an ancient grape in a country that made wine their entire identity in antiquity makes so much sense. It has a honeyed nose with subtle hints of ripe pear. The palate is deep with seamless tannins and acidity. Well done."

2022 Ghostnote "Super Santa Cruz" Ascona Vineyard, Santa Cruz Mountains, CA - \$27.00 NET

Matthew Luczy, Wine Advocate: "93 pts. A Super Tuscan-inspired blend from the Santa Cruz Mountains, the 2022 Super Santa Cruz Ascona Vineyard is a beautiful and singular expression of the region. It leads with an open-knit, lush and dark-fruited bouquet supplemented with pencil lead, pine sap, sandalwood and dried herb aromas, followed by a suave, seamless and deftly concentrated palate. The finish is staining and intense yet remains admirably contained and refined, lingering with chalky, focused persistence and fine-grained tannins. The only thing quite like it in the region, I look forward to watching its development in the bottle through the next decade. The 2022 vintage is a blend of 50% Cabernet Sauvignon, 24% Cabernet Franc, 12% Sangiovese, 9% Negroamaro, 4% Nebbiolo and 1% Merlot.

It was a pleasure to be introduced to the wines of Brad Friedman, who, among others, both domestically and internationally, is an alumnus of Ridge and Thomas Fogarty, at which he currently assists. I discovered his label by chance during a local gathering where I was served the Super Santa Cruz bottling blind and was quite impressed. Much of the lineup is sourced from San Benito County, with Friedman approaching various Italian varieties from perspectives that differ from the typical. The range is solid across the board and nothing if not unique; however, the Super Santa Cruz is indeed the star of the show, a distinctive expression of the region from one of its most exciting vineyard sources."

Noted Arrivals:

2023 Bernabeleva Arroyo del Tortolas - \$40.00 / \$36.00

A single north-facing vineyard at 800+m with vines over 75 years old. Soils are very sandy, with little organic matter. Up to 100% whole bunches are crushed by foot treading and fermented/macerated up to 45 days. The wine ages for a year in a mix of used French 500l and 600l barrels. 180 cases produced.

2023 Bernabeleva Vina Bonita - \$50.00 / \$45.00

A single south-facing vineyard at 700m with extremely shallow, sandy soils over bedrock. The vines are 90+ years old. Up to 100% whole bunches are crushed by foot treading and fermented/macerated up to 45 days. The wine ages for a year in a mix of primarily used French 225l barrels. 95 cases produced. 2023 was shaping up to be an all-time great vintage in the Eastern Gredos until 5 weeks of exceedingly hot, dry weather in August pushed many vines to shut down ripening. Rain arrived in September, and Bernabeleva was able to harvest some lovely wines. They are fresh and have explosive aromatics at this young stage. It's a vintage that shows off the best qualities of Gredos – floral noses, freshness, and elegance.

2023 Montepeloso Nardo - \$70.00 NET - Arriving week of 9/22. Limited. No more than 2 cases per account. 6pks.

Vinous: "93-95pts. The 2023 Nardo is 85% Sangiovese and 15% Cabernet Sauvignon. A dense, closed wine, Nardo is quite promising today. This pre-bottling tank sample is suggestive of a wine that is going to need quite a bit of time to come together. Dark red-toned fruit, crushed flowers, licorice, spice and dried herbs open with some coaxing. I look forward to tasting this after bottling."

2023 Montepeloso Gabbro - \$83.00 NET - Arriving week of 9/22. Limited. No more than 2 cases per account. 6pks.

Vinous: "95-97pts. The 2023 Gabbro, 100% Cabernet Sauvignon, is shaping up to a gem. Aromatic, savory and bursting with varietal character, the 2023 has it all. The style is one of tension and focus, with less of the opulence proprietor Fabio Chiarello preferred in his early days. Then again, the Tuscan coast provides plenty of textural intensity of its own. Cool blue-toned fruits, lavender, licorice, spicebox and a kick of blood orange are all beautifully delineated. Gabbro remains one of the most distinctive wines in all of Italy.

Proprietor Fabio Chiarello continues to turn out some of the most riveting wines on the Tuscan Coast. His top 2023s, which I tasted from tank just prior to bottling, are hugely promising. Over the years, Chiarello has fine-tuned his approach by focusing on higher-quality sites for his top wines, picking earlier, eliminating Montepulciano from blends and reducing the oak imprint by significantly shortening time in barrel to just nine to eleven months. The cumulative result of those changes is dramatic. Readers who have not tasted the wines owe it to themselves to do so, as these are among the most compelling reds in all of Italy."
