ÉLEVAGE

Elevage is proud to be the exclusive representatives, in California, of some of the world's most intriguing and sought-after wines. We are proud to partner with the following importers and wineries.

The Rare Wine Co. is one of America's most respected agents for fine wine in the US. In addition to being specialists in sourcing impeccably cellared examples of the world's greatest and most sought-after wines, they represent some of the finest wines of Europe for exclusive distribution in California. The Rare Wine Co. was founded in 1989 by Mannie Berk. In 2002, a panel of wine journalists and wine trade leaders voted them the Best Wine Importer in America, as part of Food & Wine magazine's American Wine Awards. And in both 2002 and 2004, Mannie was named a Wine Personality of the Year by Robert Parker's Wine Advocate.

Diamond Wine Importers was founded in 1992 by Ted Diamantis out of the belief that Greece, with its natural terroir of mountain vineyards, maritime influenced climate, volcanic and alluvial soils, and over 200 ancient indigenous varieties, can once again become a source of some of the greatest wines in the world. Over the last 30 years of tasting and traveling throughout Greece, they have compiled a portfolio of the best artisan, vineyard-driven producers who are working with the best native varietals from the best appellations. They only focus on producers and growers who are fully committed to quality and sustainability from vine to bottle.

The Mad Rose Group is a family-run organization that is composed of a close-knit group of people who understand that wine is an agricultural product and that in its best and purest form wine must reflect a specific sense of place. They share the goal of communicating this concept to a growing audience by presenting the finest examples of wine made in the classical western European tradition. They import wines curated by Neal Rosenthal, founder of Rosenthal Wine Merchant and are proud of their more than forty-year history. They are dedicated to presenting the most pure expressions of terroir from the vineyards of France, Italy, Switzerland, Catalonia and Austria.

Rosenthal Wine Merchant - NEW Producers

Sergio Marani - RWM's First Foray into the Marche

The Marche's native Verdicchio provides an optimal vessel of expression for Marani's tried-and-true artisanal approach. Compared to the breezy seaside Verdicchio of the Castelli di Jesi appellation, Verdicchio di Matelica - a commune nestled among the Apennine Mountains, in a north-to-south-situated valley that runs parallel to the Adriatic coastline, 60 kilometers to its east - is far steelier, denser, and more structured, with uncompromising acidity and palate-commanding minerality. Verdicchio di Matelica is very much a wine of the mountains, and rather than adopting methods as some growers do to soften its natural edges, Marani wholeheartedly embraces its age-worthy intensity.

2024 Sergio Marani Verdicchio di Matelica - \$17.50 / \$15.75

Marani's non-vineyard-designated Verdicchio di Matelica incorporates vines between 10 and 30 years of age. Hand-harvested and pressed directly, the wine undergoes spontaneous fermentation in 15-hectoliter oak casks of local Apennine origin that have been used continuously by the Marani family for over 50 years; it rests in these casks for a full year on its fine lees, with occasional stirring employed to keep reduction at bay, and is bottled without fining or filtration.

2023 Sergio Marani Verdicchio di Matelica Sannicola - \$22.50 / \$20.25

Named after the nearby church of San Nicola, this three-hectare vineyard occupies a steep southwest-facing slope of iron-rich clay-limestone that tops out at 480 meters altitude. Marani produces an exceptionally complex, intense, and long-lived Verdicchio di Matelica from Sannicola's oldest vines (planted in the early 1970s), aged two full years in 15-hectoliter casks made from local Apennine oak and bottled without fining or filtration.

2021 Tenuta Cucco Barolo Serralunga d'Alba - \$29.00 / \$26.10 - Amazingly priced Barolo!

The Rossi Cairo family, who own and operate La Raia purchased Tenuta Cucco in 2015 and immediately converted the farming to organic. The estate's village-level Barolo is from 25-year-old Nebbiolo planted in the Bricco Voghera cru in the eastern stretches of Serralunga, augmented with 20- to 25-year-old vines from the lower slopes of the Cerrati cru, which abuts the eastern edge of the appellation; the vines are planted at altitudes between 250 and 400 meters altitude, with expositions ranging from west and southwest (in Voghera) to southeast (in Cerrati), in limestone-rich soils flecked with veins of sand. Fermented spontaneously via submerged cap for 25 days, it passes two years in large Slavonian-oak botti from Stockinger and is assembled in steel for an additional year to allow for natural settling and a bottling without filtration. It is a superb and highly enjoyable example of one of the greatest Barolo vintages in recent history.
